MESSAGE FROM MR. MORELAND

Gulf Middle

GMS Family,

Happy New Year!! My wish for all our families is that 2022 brings a year full of adventure, learning, and growing. It is hard to believe that we are almost halfway through the school year. As we enter second semester, we want to stay focused on learning and coming to school each day determined to do our best.

Just a few reminders with COVID numbers on the rise again, please keep your child at home if they are sick, wash your hands regularly, get regular rest, and spend time outdoors soaking in some Vitamin D.

Welcome TO GMS!!

February 18- Hurricane Make-up Day- No School

February 21- President's Day- No School

PBIS End of Year Field trips

As we begin second semester, the PBIS end of year field trips loom in the distance. The purpose of end of year field trips is for students to reap what they have sown throughout the year. As a reward for good behavior students have the opportunity to earn their end of year trip. Each grade level plans a special day filled with fun, laughter, and time to socialize with their friends.

These trips are EARNED, students are not automatically entitled to attend. In order to earn their end of year PBIS trip, students must be without referrals beginning the first day of semester two. This information has been shared with all students, and no exceptions will be made. Our goal is for all students to be able to attend, please encourage your student work toward this trip.

Each grade level trip is being planned by the grade level leader, if you or your student has a question concerning these trips they should speak with them:

6th grade- Mr. Antimo Onzo- AntimoMO@leeschools.net

7th grade- Mrs. Krista Rivera- KristaAR@leeschools.net

8th grade- Mrs. Heather Morse- HeatherMo@leeschools.net

Welcome Aboard!

GMS would like to introduce our new Security Specialist, Mr. Raymond Laborde. If the name sound familiar, it is! Mr. Laborde is the proud parent of our former Security Specialist Michael Laborde. Mr. Laborde is no stranger to Gulf Middle, he is returning and we are thrilled to have him rejoin our school.

Schedule changes, teacher changes, class changes, oh my!!

As semester two begins, we are encouraging you and your student to look at FOCUS for potential schedule changes, class changes, and/or teacher changes.

Semester long classes will transition to a new semester class and we have made some teacher assignment changes as well. If you have any questions after reviewing FOCUS you can always contact your student's school counselor.
