MESSAGE FROM MR. MORELAND

Gulf Middle

GMS Family,

Well...we are down to 18 days left in the 21-22 school year. It's hard to believe in just 3 weeks we will be saying goodbye to our 8th graders for the final time. I know they are leaving prepared for high school.

As the school year comes to an end continue encouraging your student to come to school each day ready to learn. Teachers are teaching until the last day of school. Behavior is also very important, we know as the year finishes up everyone gets antsy for summer, but during school hours, we need all students on their best behavior.

Also, if interested, there are plenty of summer learning opportunities for your child. Please visit our website and click on the banner entitled Summer Learning Opportunities to explore what is available for your student. Providing your student with summer learning is a great way stave off summer regression.

Welcome TO GMS!

End of Year Fun!!

Dodgeball is Back!!

As you can see from the important dates above, there is still quite of bit of activity until the very end of the year. We want students to be able to celebrate all they have accomplished this year, academically and socially. Keep encouraging your student to come to school each day ready to learn and participate in the fun that we have planned as well. We will be having our very first badminton tournament, and Dodge ball is back! So encourage your student to find a partner or team and join in on the fun.

All we do is win, win, win...

Congratulations to Mrs. Susan Gower for being named GMS's 2022 Cape Coral Chamber of Commerce's Teacher of the Year!
