MESSAGE FROM MR. MORELAND

Gulf Middle

It's hard to believe we are already well into Quarter 2 of the school year. This time of year, with the upcoming holidays, brings distractions that can many times take students minds off their academics. Now is the time where the routines you developed at the beginning of the year pay off. Continue having your student stick to their schedule, even with the added fun things going on. Remember that December 21 is now a full day of school for students and December 22, will be an early dismissal day and also marks the end of Quarter 2.

Cornerstone Ministries

We all need help at one time or another, and Cornerstone Ministries is here to help you with a Thanksgiving or Christmas meal. If your family is in need of some support during this holiday season, just reach out to our school social worker and he can help you get on their list. Just call the school at 549-0606 and ask for Scott Hollenbeck. If he is not on campus, just leave him a message and he will be sure to get back to you. Don't miss out on this opportunity if you are in need.

Feast your eyes!

Feast your eyes on just a few of the works of art created by our talented students.
